

## New Build / Renovations

{niftybox background=aliceblue,}We also have a construction sector who are dedicated to building to the highest quality standard in all aspects of general construction.

Including:

- One off houses
- Extensions
- Back Kitchens
- Ensuites
- Utility rooms
- Cobblelock or Concrete Driveways

In relation to renovation or refurbishment work, we are the real deal. We can take a new house from 1st fix and complete to the highest standard of workmanship or refurbish a small room, its all your choice. So take a look through our photo gallery to see some of our renovation/refurbished work that we have completed and contact us today to make your house the home of your dreams!{/niftybox}
